Continuous Professional Training for persons registered in the public register - Cyprus Investment Firms

The Need

Articles 16(1) and 16(2)(a) of the “Directive regarding the certifications of persons and the public register” (RAD 499/2012) as amended in 2013, state that:

- 16(1) Persons registered in the public register shall be obliged to renew their registration in the public register within two months from the end of each calendar year that follows their registration in the public register.
- 16(2)(a) Persons registered in the public register shall be deemed to have renewed their registration when they submit to the Commission a statement of continued professional training on topics that fall within the existing legislation on the capital market, of a duration of **five (5) hours for persons registered in the public register for the basic examination** and of a duration of **ten (10) hours for persons registered in the public register for the advanced examination, for each calendar year.**

The purpose of the above provision is to ensure that, the persons registered in the public register («certified persons») are informed of the legal framework, they are obliged to comply with, when they provide/carry out investment services/activities.

The Aim

To satisfy CySec’s provision, for Continuing Professional Training, enabling CIF’s employees to maintain their certification.

To expand the knowledge and competence of CIF’s employees.

To answer and solve questions participants might have in the taught syllabus. In this respect:

All instructors have several years of experience, working for different companies in different positions learned how to deal with day to day issues and are able to help you move from legislation to practice, answer questions that arise as part of everyday practice and advise you how to tackle issues as part of your daily practice
